

## **JOB OPPORTUNITY**

---

**POSITION: 310T Truck & Coach Mechanic**

**LOCATION: Exeter**

---

Hensall Global is an integrated logistics company providing multimodal transportation and logistics services to a global customer base. Our core competencies include international freight forwarding, intermodal trucking and bulk agricultural trucking.

Due to continued growth we are currently recruiting for a certified 310T Technician to perform repairs and maintenance on Hensall Global's fleet of trucks and trailers as well as customer's equipment.

### **Job Duties:**

- Perform repairs and preventative maintenance on trucks and trailers
- Document all maintenance work performed and complete work orders, with accuracy, for billing purposes
- Diagnose mechanical and electrical issues
- Perform annual safety inspections in compliance to the 'National Safety Code Standard 11B'
- Work well with others in a team environment with other technicians and apprentices
- Maintain all mechanical equipment and tools
- Good general housekeeping to ensure work area is clean and safe

### **Job Requirements:**

- 310T Truck and Coach Technician Certification
- 3+ years' experience in a similar position
- Self-motivated individual able to work independently as well as with a team
- Ability to work professionally with minimal supervision in a fast-paced environment
- Responsible for supplying all common hand tools required for daily tasks as well as a personal storage unit

### **Job Perks:**

- Full-time position
- Competitive remuneration
- Excellent benefit and pension package
- Clothing allowance
- Tool allowance
