

JOB OPPORTUNITY

POSITION: 310T Mechanic

LOCATION: Exeter

Hensall Global is seeking a 310T Mechanic to join our team at our full-service repair facility in Exeter, Ontario. We maintain and repair all makes and models of trucks and trailers.

What we offer:

- Highly Competitive Wage.
- Straight Day shift with flexible start and end times.
- New expansion, state of the art facility with over 23,000 square feet.
- 110' service pit, heavy truck tire changer and balancer, heavy truck alignment, overhead lube system, mobile column hoist, all makes/all models diagnostic software, high quality tools and the latest technology.
- On-going investment in our employees and facilities.
- Group Benefits Plan (dental, prescriptions, vision, massage, chiropractic, physiotherapy, etc.).
- Health Care Spending Account.
- Pension Plan matched by employer.
- Excellent Vacation and paid time off.
- Work boot, Clothing and tool allowances.

Job Duties and Responsibilities:

- Responsible for maintaining and repairing a variety of trucks and trailers.
- Diagnose mechanical and electrical issues and provide efficient solutions.
- Perform annual safety inspections.
- Document work performed, complete work orders and communicate daily tasks to Lead Hand or Manager.
- Maintain all mechanical equipment and tools as required.
- General housekeeping to ensure a clean and safe workspace.
- Work well with others in a fast-paced, team environment.
- Understand and follow all safety procedures and policies.
- Responsible for supplying all common hand tools and personal storage unit.

Required Qualifications:

- 310T Truck and Coach Technician Certificate and/or 310S Automotive Technician Certificate with willingness to obtain 310T Certification.
- Valid G Driver's License required.
- AZ or DZ Driver's License is considered an asset.
